ABOUT ME

Currently a degree final year student, having a part time job as an art teacher every Saturday. Have 3 years working experience as a part-time freelancer in Graphic, Web Design and Event Videography.

Having curiosity on how to make moving contents on TV and website since childhood. I make things that are: beautiful, easy to use, relevant to the customer, and fit the business. I enjoy learning, works fast and well with others, and seek harmony between work and life.
